

**Pictures for the METAV press release:  
Medical Area at the METAV 2018: curative technology  
A healthy form of collaboration**

((02-01 IMSTec\_Maehringer-Kunz.jpg))

To quote Edgar Mähringer-Kunz, Managing Director of IMSTec GmbH, Klein-Winternheim: "For us, the Medical Area of the METAV 2018 is an important element of our international marketing activities"
